—Ex-Postmaster R. B. Boulden left Tuesday for a week's visit to relatives at Maysville, from thence to Pueblo, Col., where he will make his future home with his daughter, Mrs. Leonard Morgan West. Mr. Boulden is 72 years old and was born and spent the greater part of his life in Millersburg. He began life as a school teacher in Bourbon and Mason counties. Many of his old companions of today were his early pupils. For a time he did

business at Claysville and later was bookkeeper for a wholesale business house in Cincinnati. He also served as traveling salesman for a liquor house. For several years before and during the Civil War he was steamboat captain on the Ohio, Big Sandy, Mississippi and White Rivers. He served as postmaster during the administrations of Hayes, Garfield and Arthur. For three terms after this he was a member of the Bourbon Fiscal Court, during the period when the turnpikes were set free and rendered much valuable service in many knotty problems during that time. After the death of Postmaster John Jameson he was again appointed to this office which he held from February 1898 until July 1, 1910. Under the administrations of McKinley, Roosevelt and Taft. Some years ago he lost his wife and within the last few years his beautiful daughters have married, the elder residing in Pueblo, Col., the younger at Little Rock, this county. He was one of the most useful men of this community, having repaired nearly all the clocks and watches, written the larger part of all deeds, wills and contracts for the past twenty-five years. He was ruling elder of the Christian church and for many years superintendent of its Sunday school. He was also a member of Amity Lodge No. 40 F. & A. M. We wish him much happiness in his new home in the West, and may he live to return many times annually to the host of friends in the Old Kentucky Home.

—The nineteenth annual meeting of the Hurst Home Insurance Company convened Wednesday morning at the Hurst Home office. Several of the board arrived Tuesday night while the remainder came Wednesday morning. The auditing committee arrived Tuesday morning and spent the entire day going over the books and accounts of the company. At 9:30 Wednesday morning the board was called to order by President J. G. Allen of Millersburg. The minutes of the last meeting were read and the adding committee then made its report, showing that the books and accounts of the company had been well kept. The executive committee then followed with its reports and recommendations. During the year they held six meetings. Mr. Robert Barr, of Nicholas county, member of this committee resigned some months ago his place being filled by Mr. John G. Blair. The president and secretary then made the following report: A net increase during the year of over one-half million dollars business. The company now

having over \$3,650,000 business in the ten counties in which they do business. The report shows a balance on hand of more than \$12,000. Eight years ago the company was in debt about \$10,000. The board provided for reserve fund of \$5,000. A committee was then appointed to draft the recommendations of the executive committee concerning certain statutory provisions and the admission of personality provided for by the last general assembly. This was voted on as a whole and was passed unanimously. During the morning session the charming daughters of Mr. F. F. Hurst dispensed lemonade. At 11:50 the meeting took a recess for dinner, which was elaborate being served by Mrs. F. F. Hurst assisted by some of her lady friends. After refreshments and cigars the work was resumed at 1:30. But little enthusiasm was displayed during the morning session but after a good dinner of fried chicken old ham and all other good things in proportion everybody was happy and seemed inclined to talk. The executive board consisting of John G. Blair, T. W. Current and Wm. Burroughs was re-elected. Mr. J. H. Campbell was re-elected inspector on the same salary. The board provided \$500 for an assistant inspector this being necessary owing to the increased business. Five hundred dollars additional was set apart for Mr. F. F. Hurst for office help. The bond of Mr. F. F. Hurst was raised from one to two thousand dollars, this was also owing to the increased business. The bond since the organization of the company has only been one thousand dollars until now. It was moved that the company pay for this bond, and had it not been for Mr. Hurst himself this would have passed unanimously. Peace and harmony was the spirit of the meeting during the entire day. At 2:30 the meeting adjourned. It was unquestionably the most satisfactory one in the history of the company.

—One of the prettiest home weddings seen here in some time took place this afternoon at 4 o'clock at the home of Mr. and Mrs. Henry Sheeler, when their youngest daughter, Miss Mary Anna Sheeler, was given in marriage to Mr. Commodore Grinnell of Cincinnati. About forty guests were present and the little cottage home was darkened and softly illuminated with candelabras and wax tapers. The color scheme was green and yellow. At the appointed time the doors separating the family room from the parlor were thrown open and with-out music Mr. William Sheeler with

Miss Sarah Ethel Collins entered, she being beautifully gowned in pink and white mulle carrying pink bouquets. Then followed the bride couple Miss Sheeler being gowned in white mulle carrying white carnations. The group was met by the officiating minister, Rev. Norman G. Luck, of the Baptist church, where after a short but impressive ceremony Miss Sheeler became the wife of Mr. Grinnell. At 6:55 o'clock Mr. and Mrs. Grinnell left on the north bound train for a short wedding tour. They will be at home to their friends at the home of his parents near Cincinnati after August 15. Miss Sheeler has been connected with the Bourbon Home Telephone Company for some time, and is one of our most popular operators. Mr. Grinnell is a popular young farmer of Harrison county. They were the recipients of quite a number of handsome and useful presents.

After the games ices and cakes were served which carried out the color scheme of yellow and orange. Punch was served during the afternoon. The tallies were pretty little hand-painted Gibson heads.

Youthful Philosophy.

A small boy declared his intention of being "extra good" next winter. "Tain't no use to try in the summer, 'cause another will tell me not to go bathing or fishin', an' a feller's got to do somethin' ter pass away the time."
